

## Darl Henderson

Burlington - In loving memory of my father, Darl "Gumby" Henderson, age 66, passed away March 13, at his home in Burlington, IA.

He was born June 6, 1954 to Russell and Esther Henderson. He is survived by his son Jerry Henderson of Burlington; brother Gary (Irene) Henderson of Burlington; sisters, Judith (Max) McAbee of Georgia and Joyce (Richard) Moore of Danville; foster brother, Jim "JimBob" Baker of Burlington; several nieces and nephews.

He was preceded in death by his twin brother David "Hondo" Henderson; his parents; sister, Sondra Connolly; brother, Jerry Henderson; and his grandparents.

Darl was a huge Dallas Cowboys fan. He loved the game of pool and could be found playing on league nights, tournament weekends, and at state tournaments. Lots of people have commented about seeing Darl driving around in his Jeep with his faithful companion Jasmine. R.I.P. you will be deeply missed.

A celebration of life will be held at a later date.

A memorial has been established for his son. Memorials may be directed to Lunning Chapel, 2620 Mt. Pleasant Street, Burlington, Iowa 52601.
